KEEPING SAFE - SAFE PEOPLE, SAFE PLACES, SAFE TRAVEL

At school we frequently talk to our students about safety and safe travel to and from school. Parents and carers can reinforce these 'Safe People, Safe Places, Safe Travel' messages with their children.

Recent 'Keeping Safe' messages discussed at school include:

- Make sure your parents or other trusted adults are aware of where you are at all times. For example, ask permission from parents/carers before going to a friend’s house after school.
- Walk near busier roads and streets, or use paths where there are lots of other people.
- Always use the most direct route from home to school, etc.
- Always wear a helmet if riding a scooter, skateboard or bike to school.
- Know where safe places are – a shop, service station, police station, library or school. If you are ever frightened, you should go to one of these places and ask them to call the police.
- Learn about safe adults you can look for and talk to if you need help – police officers, teachers at school, adults you know and trust.
- Don’t talk to people you don’t know and never get into a car with someone you don’t know. If a car stops on the side of the road and you don’t know the person inside, do not stop.
- If you are scared and can use a phone, call 000 and tell them you are scared.

Please reinforce these important “Safe People, Safe Places, Safe Travel" messages with your children. Your support is always appreciated.

CREATIVE AND PERFORMING ARTS PERFORMANCE SPACE
The CAPA Performance Space has finally been completed! The wooden stage has been built, the curtains fitted and the painting and flooring finished.

Our first official engagement in the CAPA Performance Space was the Seniors Concert in Week 4. This event was a huge success. Thank you to everyone who has been involved in the planning and constructing of this wonderful performance space for our students to use at Dunheved Campus.

ATHLETICS CARNIVAL
Chifley College Dunheved Campus held our annual athletics carnival at Blair Oval, St Marys. The day started off with the 800m events, a nice warm up for the students. The students were then split into their age groups for the rest of their events. The day was filled with many wonderful performances with students displaying their outstanding athletic abilities.

At the end of the day it was time for the glamour events – the relays. Congratulations to King who won both the Junior and Senior relays.

Congratulations to the staff relay team who were once again victorious against the students.

Thank you to all who participated on the day and a special thank you to all the parents and carers who came down on the day to support.

Good luck to all the students representing the school at the Mt Druitt Zone Carnival.
