SYDNEY WEST DANCE FESTIVAL

During Week 6 of Term 2, 16 students from Dunheved were involved in the Chifley College Dunheved Campus Dance group that performed at the Sydney West Dance Festival held at Evan Theatre Penrith Panthers. The dance group auditioned one item for the festival back in Term 1 and were successful in being selected to participate in the Sydney West Dance Festival.

It was an exhausting yet fun filled week full of dancing, laughter and new found friendships. Performing a contemporary dance piece titled “Is there anybody out there?”, the girls looked at the emotional turmoil and stresses of being a teenager and the desire to be accepted and fit in. A beautiful dance piece was created and performed and each student is to be congratulated on their fine efforts.

DEBATING SUCCESS
On Tuesday 10 June the Year 7 and 8 Debating Team competed in the first round of the Premier’s Debating Challenge, a state wide speaking competition. They were against Kellyville High School arguing against the topic, “That we should abolish school uniforms.” Yasmin Diab, as first speaker, clearly argued that uniforms instil pride in a school and prevent groups from forming. Rahat Yunus, as second speaker, proved that school uniforms are more cost effective. Laura Sole, as third speaker, summed up a fantastic case by rebutting many of the opposing arguments. They left the adjudicator without a doubt that school uniforms are important, winning the debate. Well done also to Cody Hepenstall, as fourth speaker and team manager.

Their next round will be held on Wednesday, 25 June.

ATTENTION ALL PARENTS OF ABORIGINAL OR TORRES STRAIT ISLANDER STUDENTS
From time to time our school has the opportunity to advertise for staff via the Department of Education’s Merit Selection Procedures. It is very important that the views of our community are taken into account. If you would be interested in sitting on these panels to select staff, please let me know. There is a training program that is available, and once trained you may be approved by the local AECG to be a panel representative. There is no cost to do the training. Please let me know if you’re interested.

HEAD LICE
It is common for school children to get head lice and it has nothing to do with being clean or dirty. Head lice can spread when children are in close contact, but head lice do not cause any harm to your child’s health.

To prevent your child getting head lice:
- check your child’s hair regularly
- keep long hair tied back or braided.

If your child has head lice:
- remove tangles with a large comb,
- then comb hair with a thick, white hair conditioner using a fine-tooth comb to get rid of head lice and their eggs (nits) daily until there are no more eggs - this is the best and cheapest way to remove them
- inform the school so they can ask others to check their children’s hair; your child does not have to be identified

For easy to read and helpful information on removing head lice and nits, go to: http://www.schoolatoz.nsw.edu.au/zh/wellbeing/health/removing-head-lice-and-nits
