Girls Rugby League

On Wednesday 28 October Chifley College Dunheved Campus U/16’s team played Chifley College Bidwill Campus in a friendly. With the season already over, and our girls winning the Penrith Open’s competition this was a chance for a number of the younger students to push their claims for selection in next year’s side who will be aiming for a 3rd consecutive premiership. The game kicked off at 1:15pm so as soon as the bell rang for lunchtime the team suddenly had over 150 supporters cheering them on. This was a wonderful experience to play in front of so many people.

The game finished in a 20 all draw, which was made more impressive as 3 of our 5 try scorers were Year 8 students.

Year 10 Cheryl Varga, Aminata Madua, Melina Vaa, Alanah Fisher, Irichelle Lyzwa, Lorna Shepherd
Year 9 Chloe Gitt, Janet Atua, Holly Patrikis, Arrazona Cassar, Yasmin Diab, Geraldine Hiku, Angel Carter
Year 8 Latoya Geebung, Anna Taani, Christina Atonio, Lote Mate, Lent-Shyane Taverio

Congratulations on a fantastic game
Mr Raymond Coach
Congratulations Taryne Azzopardi.

Year 8 Student **Taryne Azzopardi** is to be congratulated for achieving **First Place** in the High School category of the annual **St Marys – Mt Druitt Star** Newspapers ‘Design An Ad’ Competition.

Many of our Visual Arts students from Years 7 to 10 submitted entries to the newspaper at the end of Term 3. Taryne’s artwork was selected as the Ad for **We Do Kitchens**, a kitchen building/renovating business located in St. Marys. The competition was strong when you consider students from much larger schools such as St Clair, Plumpton, Erskine Park and Nepean CAPA High schools also entered artworks into the competition.

By completing an outstanding advertisement for **We Do Kitchens** using pencil, pen and water colour, Taryne has won $700 for her efforts as well as being featured on the front page of the 3/11/2015 edition of the St Marys Star Newspaper. On top of these prizes, the school has also been awarded $1000 for Taryne’s efforts.

**Elective News for 2016**

At Chifley College Dunheved Campus we are proud to offer our students a diverse range of subjects that if well selected will prepare them for work, TAFE, Senior Campus and University studies. The end of the School Certificate external examination has allowed us to restructure our organisation to improve the learning opportunities for our students. In 2016 all Year 9 and 10 classes will run “vertically”.

There will be one program for all the students in the class that will run for the whole two years of study.

Students select 3 electives in total. Parents please be aware that elective subject contributions apply and there are limited spaces in some subjects so payment of contributions and return of the form is important that it is done as soon as possible. Whilst every effort will be made to ensure these subjects will run, there may be slight variations if a second round of selections does occur.

These elective forms are needed to finalise your child’s electives for 2016. Please have these forms signed and returned to Mrs. S. Harrison in the PDHPE department.

If there are any concerns please call the school on 96236600
