WELCOME TO 2015
Welcome to our Year 7 students. We hope you have had a great start to high school at Chifley College Dunheved Campus. Welcome back to Year 8, 9 and 10 students.

SCHOOL EXPECTATIONS
At Chifley College Dunheved Campus we Respect Ourselves, Respect Each Other and Respect Our Community.

We focus on teaching what these expectations “look like” in the many areas of the school, such as classrooms, playground and assembly.

Our students receive regular acknowledgment from their teachers and other school staff when they display respectful behaviours.

Last year our Positive behaviour for Learning team led a review of our expectations matrix. As a result of this review number of changes and additions were made, including:

1. I am always kind to others.
2. I encourage positive friendships.
3. I use my timetable to be in the right place.

We appreciate the wonderful support we receive from parents and carers in reinforcing these expectations at home. You will find a full copy of our revised expectations titled “The Dunheved Way” attached for your reference.

UNIFORM - FOOTWEAR
The Department of Education and Communities and Chifley College Dunheved Campus support the wearing of school uniforms by students and the upholding of high standards of dress by all students.

Under the Work Health and Safety Act 2011, the Department of Education and Communities must ensure that students are not exposed to risks to their health or safety while they are on Departmental premises. The Act also requires the Department to identify any foreseeable hazard that has the potential to harm the health and safety of any person on its premises and to take steps to identify and eliminate or control such risks.

School uniform must take into account these requirements. Examples of where a school has a duty to require a standard of dress in the educational setting include, but are not limited to, requiring students to wear appropriate footwear so as to avoid injury.

For their own safety, it is mandatory for students to wear enclosed shoes with leather uppers to all practical lessons. This includes Industrial Arts, Textiles, Visual Arts, Science and Food Technology. If a student does not wear the correct footwear, they cannot participate in the practical component of these courses.

Footwear such as “Rabens” or other canvas shoes, ballet flats or slippers, open weave type shoes, or shoes with openings at toes or heels are not appropriate footwear for school and should not be worn in areas which present hazardous situations. Please refer to the photos on the reverse of this letter as to what is considered appropriate footwear.

Students who do not wear appropriate footwear will be given alternative non-practical classwork whenever incorrect shoes are worn.

Please feel free to contact the school on 9623 6600 if you would like to discuss this matter further.
IMPORTANT NOTE TO PARENTS:

◊ The Department’s Work Health & Safety regulations requires all students to wear only enclosed black leather school shoes (ballet or slip-ons are not permitted).
◊ On days where students have PE and/or sports, they need to bring their sports shoes and uniform in their bags and change before the class.
