Students of Chifley College Dunheved Campus are expected to wear full school uniform. The Parents and Citizens Association and the College Council support this policy. It is an important part of our school’s “Code of Behaviour”, which was introduced after extensive consultation with students, parents, teachers and community groups.

The wearing of a school uniform:

- advances strong community pride,
- promotes a positive school spirit,
- develops teamwork,
- is fair for all students, and
- supports a safe and happy school,
- helps our community to recognise our students.

Our school’s reputation is improved when our students behave appropriately in the wider community. Students of Chifley College Dunheved Campus are expected to be in full school uniform whilst travelling to and from school. Students will also be required to wear full school uniform when representing the school or when on school excursions. Parents will be notified in writing of exceptions to this rule.

Students who are out of uniform will not have their photos published in the school magazine; nor will they be allowed to receive awards on stage. Awards will be presented in the Principal’s office instead.
